

Child's Voice in Art

Nursery:

"Here is my funny face...like for Halloween. "Big teeth!"

"And ... and long hair... And other hair!"

And... foot and foot!"

Reception:

"I need all the blue for the sea" says D. "And then all of the seals can go in the sea can't they?" The children add more blue bricks to their small world play.

Year 1:

"If you draw your face it can't be symmetrical. It isn't possible!"

Year 2:

"I like the shadow in the grass. I made my colour mixing green and red and yellow. I enjoy painting because painting is calm in my brain."
