

Child's Voice in History

Nursery:

'When something is *old*, then people had it a long time ago... it's not new anymore, just old.'

'Mummy and Daddy used to be *babies* a long time ago!'

Reception:

'It's not *now* but a really long time ago... and a very, very really long time ago too! Dinosaurs are the oldest.'

'That Queen Elizabeth I has the same name as the Queen I now... and I know another Queen, Queen Jubilee!'

Year 1:

'We've got to find out what people did in the past.'

'People from the olden days left things for us to see and they wrote books and did paintings and pictures... so we know what happened.'

Year 2:

'History is really *true*... it's all about what rich people like Kings and Queens did and what poor people did too.'

'You can put it all on a timeline'
'We learn about famous people and inventions ... and what they did and how it helped us.'

Be Kind, Grow Together, Learn Forever
