

Outcome of parents/carers questionnaires 2021-2022

Thank you to all parents who returned their parent questionnaire. 56 questionnaires were returned and the questionnaires were extremely positive. There were only a few small suggestions made, which we will look at in September, but the majority of questionnaires had no suggestions about how we can make the school even better.

Here is a small sample of the general comments made about what you like about Brookland Infant and Nursery School:

Extremely caring staff
Door is always open when we want to discuss anything
My child is extremely happy
Staff are excellent
Approachable staff
Good behaviour because of clear expectations
Effective teaching

This is what our parents and carers think about the school in one word.
