Dear Parents and Carers,

Brookland Infant and Nursery School is a three form entry school for children between the ages of 3 and 7 years. We have 25 30-hour places and 10 morning 15 hours and 10 afternoon 15 hour places in our Nursery. The School is a one storey building which is fully accessible and welcomes pupils with a wide range of additional needs. The School borders the northern part of Hampstead Garden Suburb and the site houses both the Infant and Nursery School and Brookland Junior School. The grounds and buildings are attractively arranged with planted gardens, grass, trees and there is lots of outdoor space for the children to use. The school shares a swimming pool with the Juniors.

At Brookland Infant and Nursery School we all work as a Team to create an exciting and challenging learning environment where everyone is committed to the highest possible achievement for all children. We believe in building a strong partnership with parents and carers and value their contribution to school life. Our School serves a community which is socially, culturally and linguistically diverse and we consider this diversity to be an asset, which enriches the educational experience we can offer our children. We also have a very strong commitment to inclusion.

Everyone at Brookland Infant and Nursery School thinks that it is a very special place and we are sure you will think so as well.

We are always delighted to show parents around our School. If you would like to visit our School or find out more information, please get in touch with the school office.
