

Brookland Infant and Nursery School PUPIL PREMIUM POLICY

October 2025

PURPOSE OF THE PUPIL PREMIUM POLICY

The purpose of this policy is to outline how we will ensure that the Pupil Premium allocated to us has an impact on narrowing the attainment gaps which currently exist between our disadvantaged pupils and their peers.

As a school in receipt of Pupil Premium funding, we are accountable to our parents and school community for how we are using this additional resource to narrow the achievement gaps of our pupils. New measures have been included in the performance tables published annually on a national level. They capture the achievement of disadvantaged pupils covered by the Pupil Premium.

We are aware that under The School Information (England) (Amendment) Regulations 2012, Schedule 4 there is specified information which has to be published on a school's website. Section 9 of this regulation requires schools to publish 'The amount of the school's allocation from the Pupil Premium grant in respect of the current academic year; details of how it is intended that the allocation will be spent; details of how the previous academic year's allocation was spent, and the effect of this expenditure on the educational attainment of those pupils at the school in respect of whom grant funding was allocated'.

Through this policy we shall publish the above information. In meeting this requirement we will observe our continuing responsibilities under the Data Protection Act 1998, so that individuals or groups of individuals, including children funded through the Service Premium cannot be identified.

PUPIL PREMIUM BACKGROUND

The Pupil Premium is additional funding which is allocated to schools on the basis of the number of pupils who have been eligible for free school meals (FSM) at any point over the last six years (known as 'Ever 6 FSM'). The Pupil Premium is aimed at addressing the current underlying inequalities which exist between children from disadvantaged backgrounds and their more affluent peers. The Pupil Premium also provides funding for children who have been looked after continuously for more than six months and the children of service personnel.

The Pupil Premium was initially introduced in April 2011 when schools received an additional £488 for each of their pupils eligible for free school meals and Looked After Children. Children of service personnel received a lower amount of £200.

EARLY YEARS PUPIL PREMIUM (EYPP)

The EYPP is additional funding for early years education intended to narrow the attainment gap between young children from low-income families and their peers by ensuring the availability of key resources. The funds are used to ensure children from low income families are not disadvantaged through lack of access to resources and therefore have a more equal opportunity of achieving their full potential.

The DfE has given us the freedom to use the EYPP and Pupil Premium funding as we see fit, based upon our knowledge of our pupil needs. However, we are accountable for the use of this additional funding.

HOW WE WILL MAKE DECISIONS REGARDING THE USE OF THE EYPP and PUPIL PREMIUM

In making decisions on the use of the EYPP and Pupil Premium we will:

- Ensure that Pupil Premium funding allocated to our school is used solely for its intended purpose. We also recognise that the Direct Schools Grant (DSG) has an element of deprivation funding included in it to address the attainment of our disadvantaged pupils.
- Use the latest evidence based research¹ on proven strategies which work to narrow the attainment gaps and adapt these as necessary to meet the needs of our pupils.
- Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
- Encourage take up of FSM by working proactively with our parents and carers in a sensitive and supportive manner and to remove any potential barriers or stigma attached to claiming FSM. In doing so, we also recognise the vital role that parents and carers play in the lives of their children.
- Be mindful of the fact that eligibility and take up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.
- Ensure there is robust monitoring and evaluation in place to account for the use of the Pupil Premium, by the school and governing body.
- Recognise the fact that FSM pupils are not a homogeneous group and cover a wide range of needs. As such the strategies we use to raise attainment will take these group and individual needs fully into account.
- Use high quality teaching and learning as the preferred way to narrow the gaps in attainment in the first instance. We will also use high quality interventions with proven evidence of impact to assist our pupils who need additional support in a time limited way.
- Use the Pupil Premium for all year groups.

ROLES AND RESPONSIBILITIES

¹ Such as The Sutton Trust - Education Endowment Foundation, Teaching and Learning Toolkit <http://educationendowmentfoundation.org.uk/toolkit/> which is regularly updated & The Institute of Effective Education at University of York, <https://www.york.ac.uk/iee/>, which researches 'what works' in teaching and learning and promotes the use of evidence in education policy and practice. The two Ofsted reports – 'Pupil Premium', 20th September 2012, <http://www.ofsted.gov.uk/resources/pupil-premium> and the latest 11th February 2013, 'The Pupil Premium: How schools are spending the funding successfully to maximise achievement' www.ofsted.gov.uk/resources/pupil-premium-how-schools-are-spending-funding-successfully-maximise-achievement are examples of the research evidence and case studies of best practice which we use.

We expect all members of our school community, particularly staff and governors to be committed to raising standards and narrowing the attainment gaps for our pupils.

The Head and Senior Leadership Team

The Head and the Senior Leadership Team are responsible for implementing this policy. They will ensure that all staff are aware of their responsibilities in narrowing the gaps of our pupils. They will also ensure that staff are given appropriate support and relevant professional development opportunities to accelerate pupil's progress and attainment.

It will be the responsibility of the Head to include the following information in an annual report for Governors:

- The progress made towards narrowing the gap, by year group, for disadvantaged pupils
- An outline of the provision that has been made since the last annual report
- An evaluation of the cost effectiveness, in terms of the progress made by the pupils receiving a particular provision, when compared with other forms of support

Teaching and Support Staff will:

- maintain the highest expectations of all pupils and not equate disadvantage of circumstance with 'low ability',
- promote an inclusive and collaborative ethos in their classrooms which enable pupils from disadvantaged backgrounds to thrive,
- plan and deliver curricula and lessons to a high standard and support the acceleration of progress in learning, so that gaps can be narrowed and improvements maintained.
- support disadvantaged groups of pupils in their class through differentiated planning and teaching, especially for those who find aspects of learning difficult and are in danger of falling behind,
- keep up-to-date with teaching strategies and research, which have proven track record in narrowing the gaps in attainment and achievement.

We will provide opportunities for staff to engage in a range of professional development opportunities suited to their particular needs and role. This will support them in implementing successful strategies to accelerate progress of pupils and narrow the gaps.

Governing Body will:

Our governing body has an important role in ensuring our school complies with legislation and that this policy, along with its specific stated actions for narrowing the gaps is implemented.

The Chair of Governors, Laura Pincus, is responsible for ensuring the implementation of this policy. There is also a named linked Governor, Kate Blumhof

At the end of the academic year, our Governors will ensure that there is 3-year Pupil Premium Strategy which informs parents on how the Pupil Premium funding has been used to address the issue of narrowing the gaps in our school. They will also ensure there is a review of the previous years' strategy which outlines the impact it has had. This will be the responsibility of the safeguarding committee as part of their vulnerable group monitoring role.

FINANCIAL MANAGEMENT

Expenditure of the allocated money for pupil premium children will be recorded in line with our school's financial management policy. Reports to the governors will include how the financial obligation of the pupil premium funding is being met.

MONITORING AND REVIEWING THE POLICY

Our work in relation to the Pupil Premium will be reviewed on a termly basis after the pupil progress meetings to ensure it is having the intended impact in narrowing the gaps. This will allow us to make adjustments if particular strategies are not working well, rather than leaving things to the end of the year.

Our Pupil Premium Policy will be reviewed on an annual basis and adjustments will be made to it according to the impact the school is having in narrowing the gaps. It will also take into consideration the increased funding that becomes available under the Pupil Premium Grant.

We recognise the importance of context and will evaluate new strategies as robustly as possible to ensure that the approaches we are using have the desired effect. In order to do this effectively, we will where relevant, undertake on-going evaluations of the strategies we are using.

DISSEMINATING THE POLICY

This Pupil Premium policy along with the details of actions will be published:

- On our website (with paper copies available on request in the school office)
- In the staff handbook and as part of induction for new staff
