

Dear Parents/Carers,

The children have had another great week talking about their families. During maths we looked at colours and read lots of books involving colour, such as 'The Big Yellow Digger'. The children did a great job of sorting and matching various colours and objects.

Our topic **All About Me** will continue. Next week, our focus is on phonics and we will be focusing on the nursery rhyme '**Wind the Bobbin up**'. I have included the rhyme for you so that you can sing it at home if you wish.

The children are settling in so well and we are super proud of every single one of them. It is so lovely to be greeted by so many smiley faces each morning! As part of the children's next step in their independence, we kindly ask that parents now say goodbye at the door in the mornings. The children are ready for this, and we've found that they settle most quickly and happily when they come in on their own. Having parents stay for longer can sometimes make it harder for others to say goodbye too. We do understand that, for a few children, previous arrangements have been made for parents to stay a little longer and these will, of course, continue as agreed. We cannot thank you enough for your help, understanding and support as we continue to help the children grow in confidence and independence.

Point to the floor,
Point to the window,
Point to the door.

Clap your hands together, one, two, three,
Put your hands upon your knee.
