

Dear Parents/Carers,

We have had a fun festive week learning about Christmas and Hannukah. The children have enjoyed making baubles, making calendars, designing their own Christmas jumpers and many more festive crafts. To consolidate the children's learning in Maths, we explored numbers 1, 2 and 3 and have been singing lots of festive number songs! And in phonics we have been playing sound games and singing songs.

The children really have had an exciting week, they loved Christmas jumper day; it was fabulous to see all the children wearing their festive outfits. The children had lots of fun at their festive party with dancing, games and food. Thank you to the parents who helped organise the food for the party!

We would also like to say a HUGE thank you to all of you for your continued support this term and for our lovely gifts and cards, thank you. All the children have settled into Nursery extremely well and have already made so much progress. We are so proud of each and every one of them!

We wish you all a lovely break and restful few weeks. To those who are celebrating, enjoy the festivities and we look forward to seeing you in 2026!

Future Dates

- Return to school - Tuesday 6th January 8:45

Wishing you all a happy and healthy 2026
The Nursery Team 😊
