

Dear Parents/Carers,

The children have had a fabulous week learning about medical people such as doctors, paramedics and the ambulance services. The children enjoyed role playing doctors and looking after their sick patients, we've also had lots of babies being born! We'd like to say a huge thank you to Dentist Michael (Ralphs Daddy) and Nurse Andrea (Ezra's Mummy) who came and spoke to the children about their jobs. The children absolutely loved these visits and really brought to life our topic so thank you. Michael has kindly shared a link for to a toothbrushing song that may be useful. <https://youtu.be/oStaJTHgHMU?feature=shared>

Next week our focus will be the police and how they help to keep us safe. In Maths, we will be thinking about number 5. We will be singing the song '5 fingers'. I have attached this for you. In phonics next week our phoneme will be the phoneme P.

Reminders and Requests

- Please could we ask that children do not bring toys from home into nursery. We having special toys lost and broken which can be really upsetting for the children. Many thanks in advance 😊

Future Dates

- Tuesday 3rd February - NSPCC Number Day - children to come dressed up as or with numbers. You can be as imaginative as you like!
- Friday 6th February - Special Books to be sent home and returned on Monday 9th February.
- Friday 6th February @ 9am-10am - Online Safety Workshop for parents and carers

Many thanks for your continued support and have a great weekend
The Nursery Team 😊

Five Fingers

I've got five fingers in my pocket.
Five fingers hidden away

Five fingers in my pocket.
Look! Aw, one went away!

I've got four fingers in my pocket.
Four fingers hidden away

Four fingers in my pocket.
Look! Aw, one went away!

I've got three fingers in my pocket.
Three fingers hidden away

Three fingers in my pocket.
Look! Aw, one went away!

Repeat for, two and one. .

The Dentist & Your Teeth

their teeth

Visit the Dentist regularly

"As soon as your child gets their first teeth and certainly by their first birthday, take them to the dentist.

Until their 18th birthday, the time between appointments should never be more than 12 months."
