Message from Headteacher

Dear Parents and Carers,

I am very aware that there are very difficult and worrying events taking place in the world at the moment, and that some members of our school community may have family and loved ones living in countries affected by current events. I know this can feel worrying and unsettling. Please know that my thoughts are with all of our families at this time, and I sincerely hope that your loved ones are safe. As always, our school community is here to support you, so please do get in touch if you feel that you or your child may need any additional support.

I have spoken with a few parents recently who mentioned that they would love to see photos of their child featured in the newsletter. I would be delighted to include as many children as possible. However, I do need to follow the photo permissions recorded on Arbor. If you have selected “no” for newsletter photos or for your child’s image appearing on the school website, I am unfortunately unable to include their photo. If you would like to update your child’s permissions, please do so via Arbor or contact the school office, who will be happy to help.

World Book Day

Everyone certainly didn't disappoint us with their **creative and fabulous outfits** on Thursday for **World Book Day**! The children loved showing off their wonderful **word costumes** during our World Book Day parade and were very excited to meet a **real-life author** during their workshop.

The author Jason Korsner wrote on his Instagram page last night:

"On my toast, I'd like some money! Thanks to the bright and bubbly children at Brookland Infant and Nursery School for inviting me to share World Book Day with you and helping to write some new 'chapters' that are even more bonkers than the real ones! We all had so much fun and i hope you are all inspired to play with language, swim in a cup of tea and sniff your toes - but remember don't wipe your feet on the cat! it's such an honour to be part of this wonderful day, showing children how much fun they can have with books! Between

reception, Year 1 and Year 2, we got through 'What Can You See?', 'I Like To Put Food In My Welly' and 'A Zoo In My Shoe!' And thanks to everyone who bought a book - I almost ran out of ink signing them all!"

Some of the amazing words the children chose to dress up as included *invisible*, *celestial*, *creative*, *sparkly*, *strong-willed*, *traditional*, *speedy*, *genius*, *bright*, *sleepy* and *royal* — and many more fantastic ideas! Please see a selection of outfits from the children and see if you can guess which **word** they are dressed up as. Thank you to Mrs Davies, our Reading Leader for organising such a fabulous day.

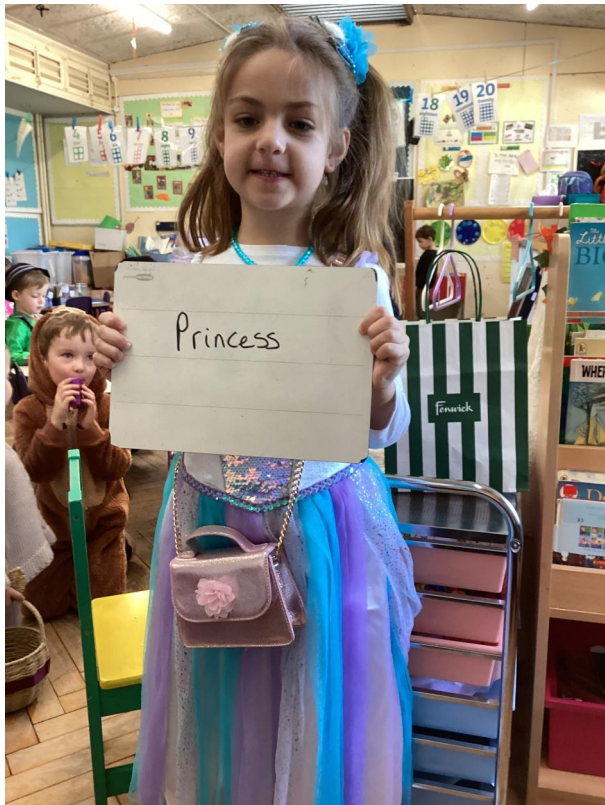

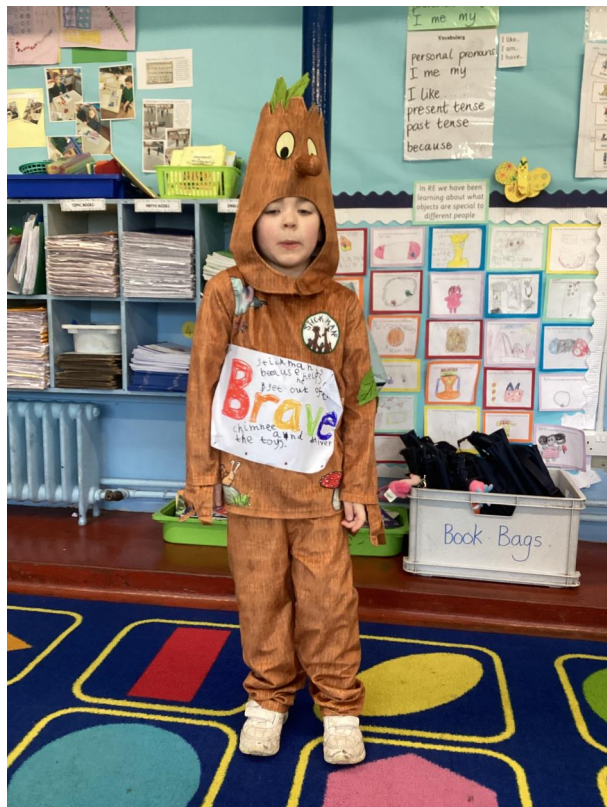

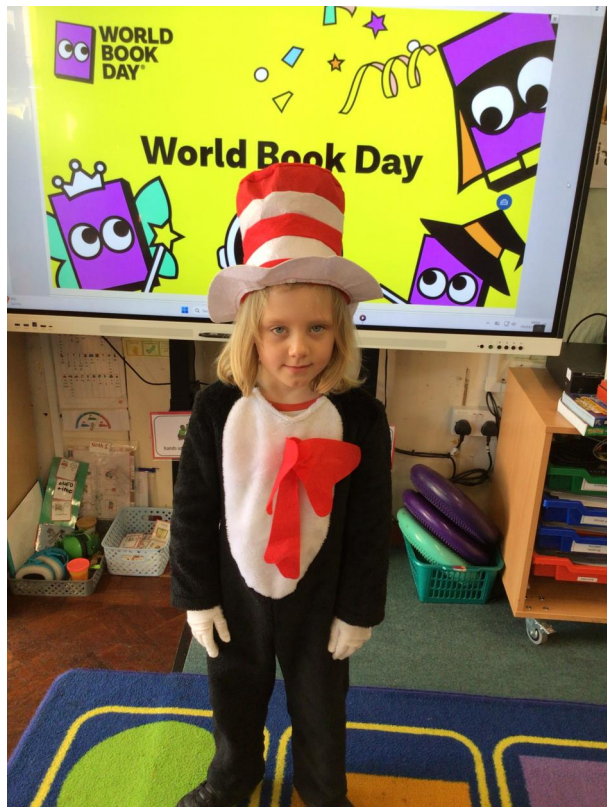

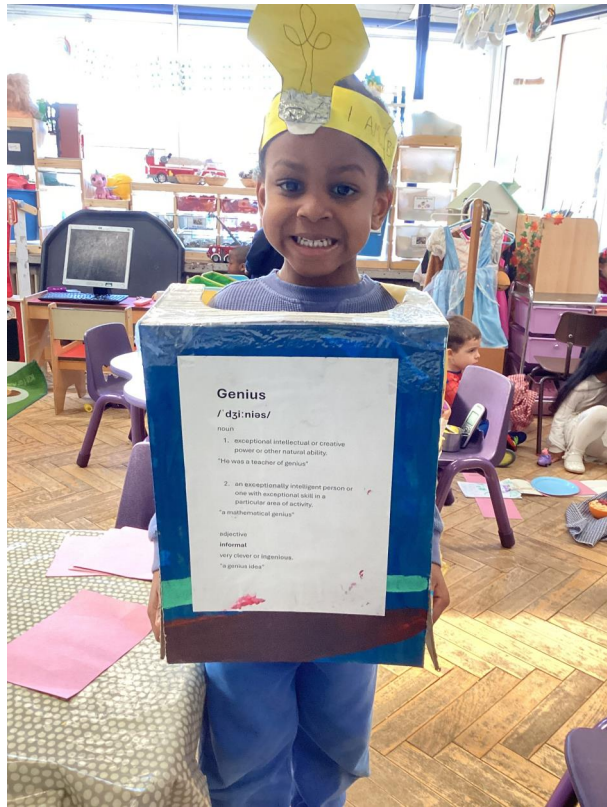

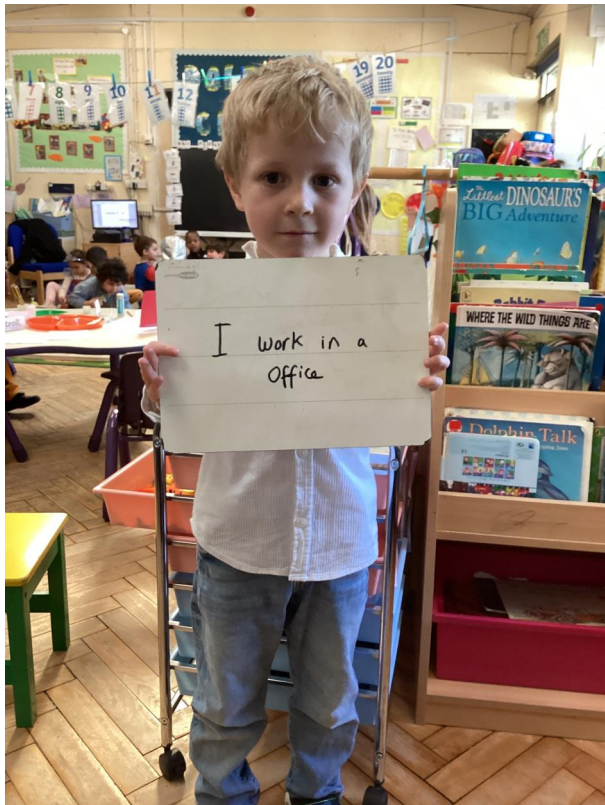

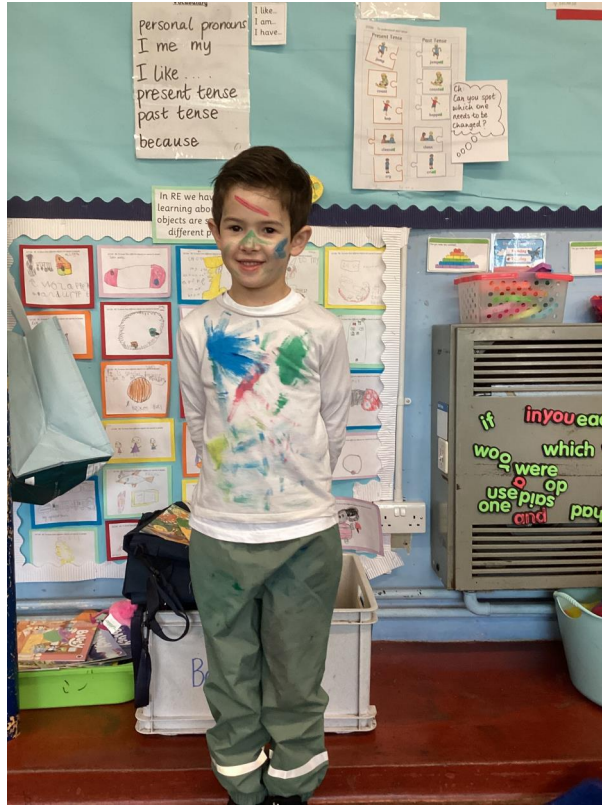

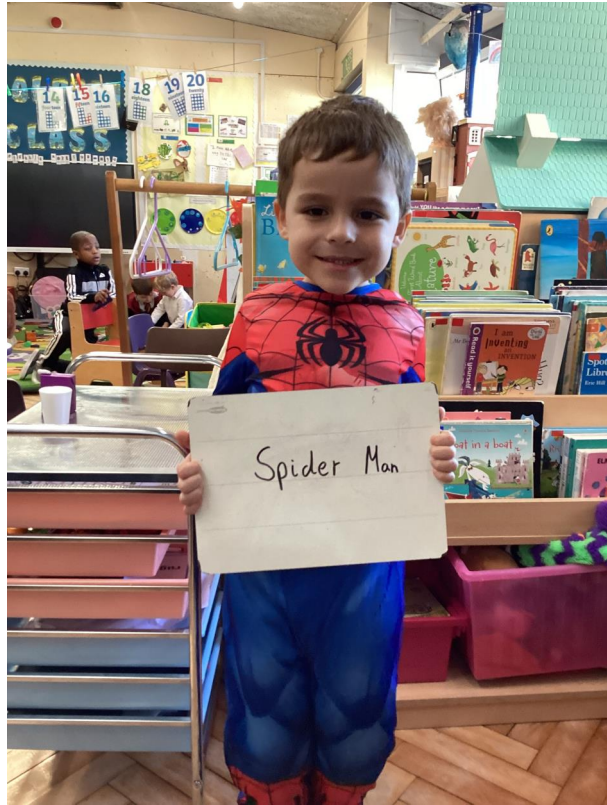

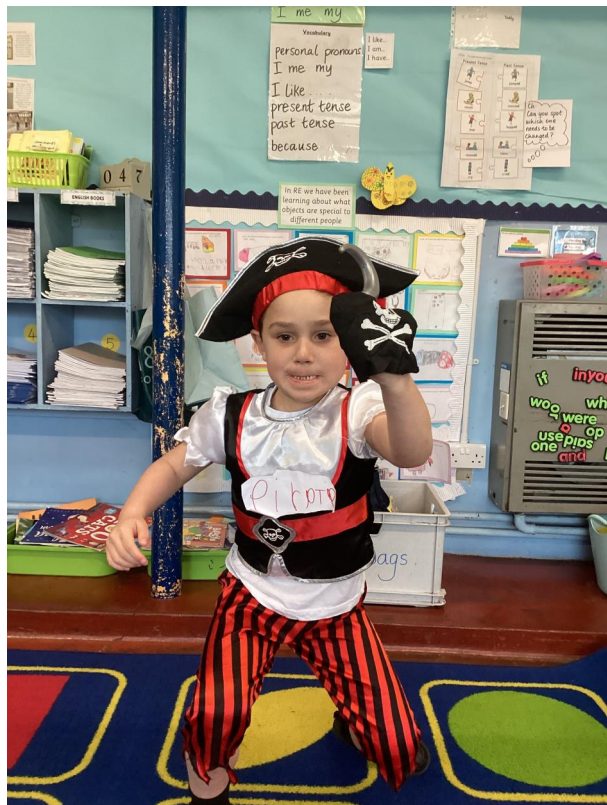

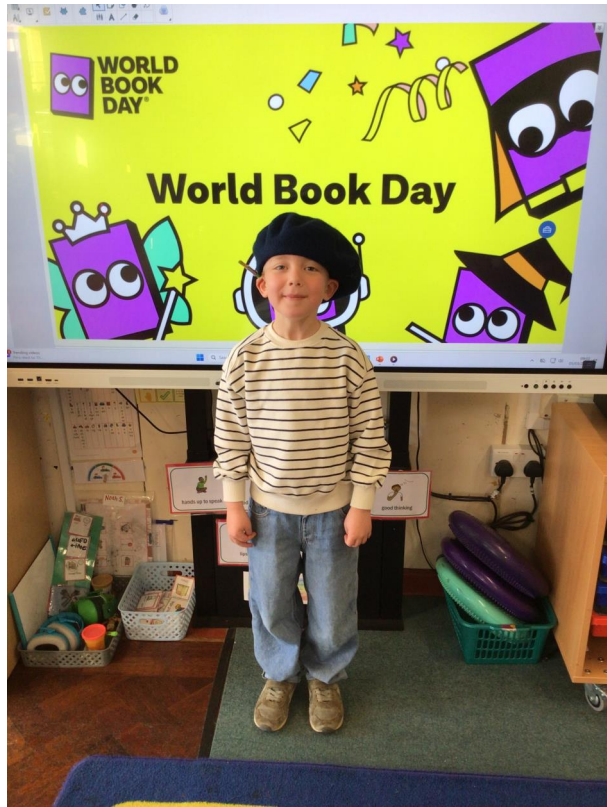

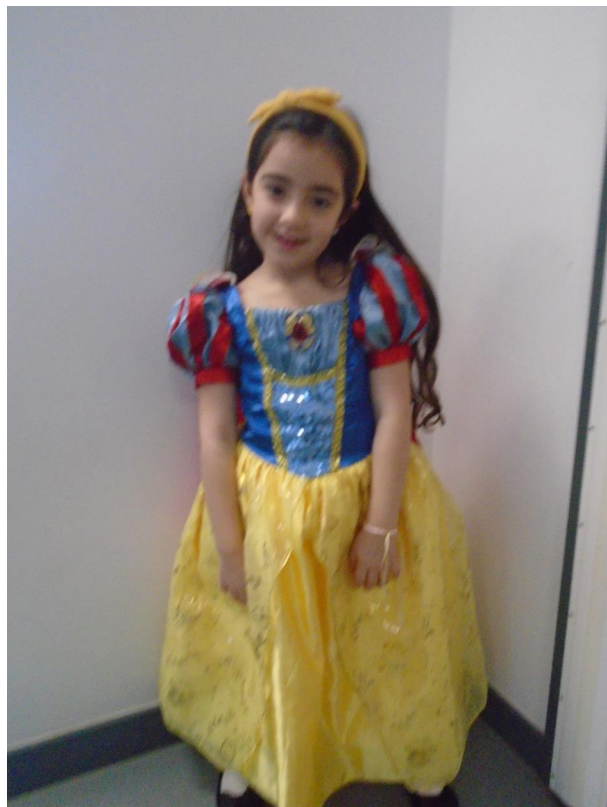

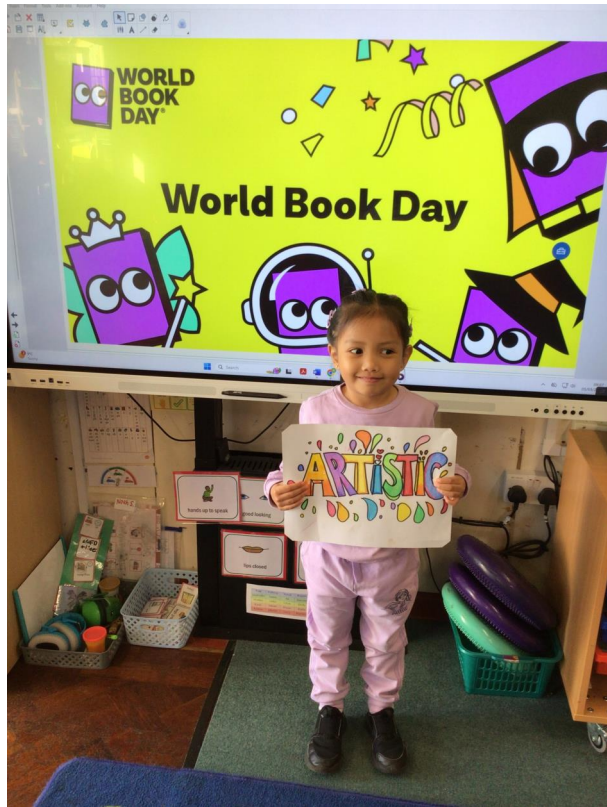

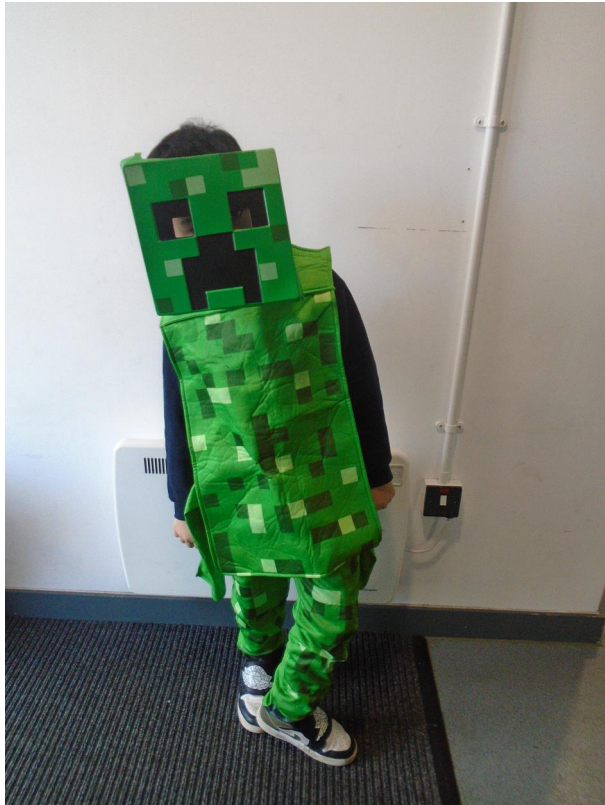

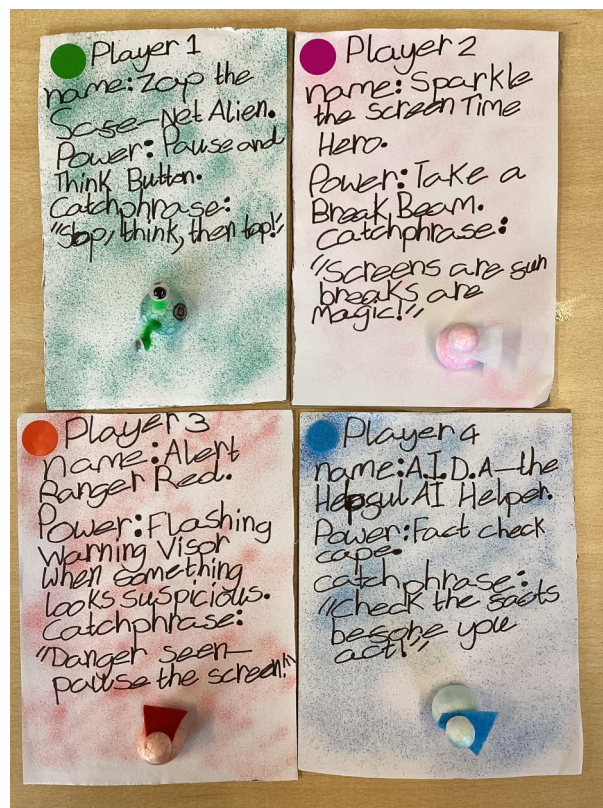

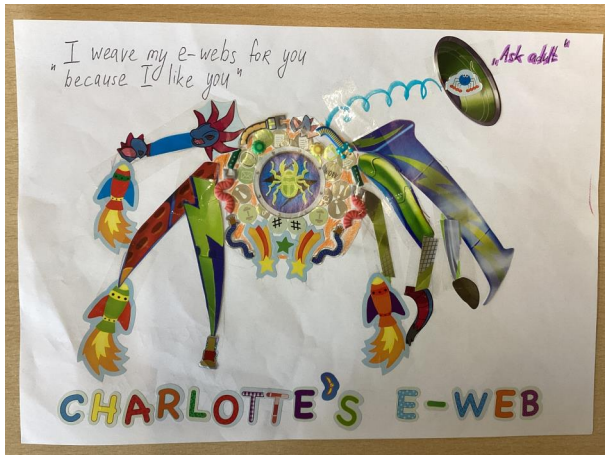

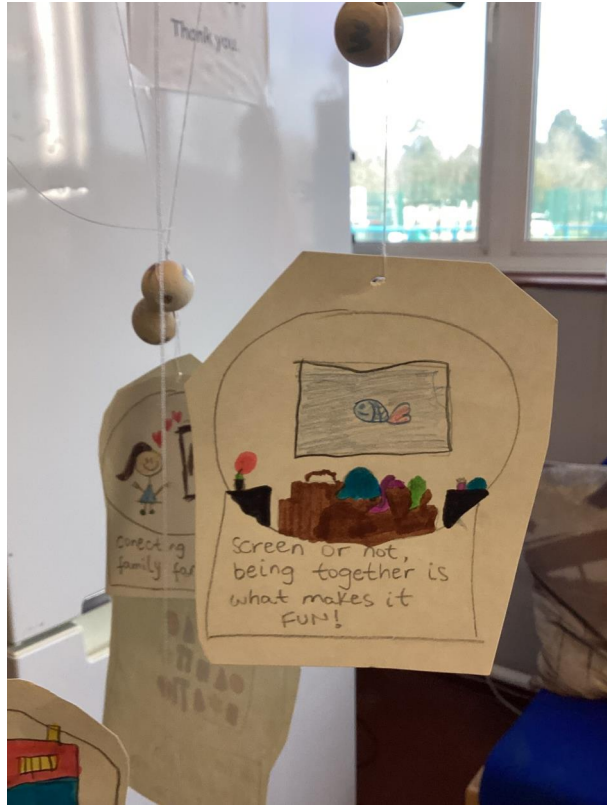

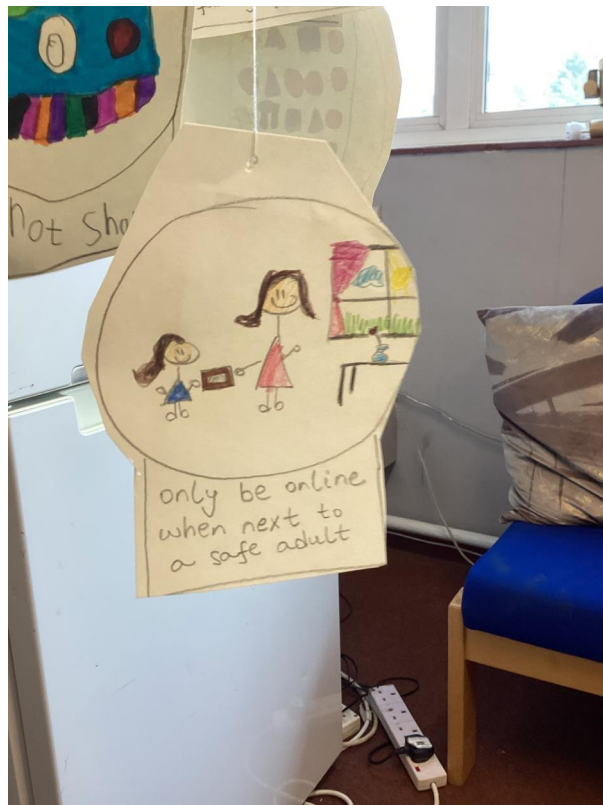

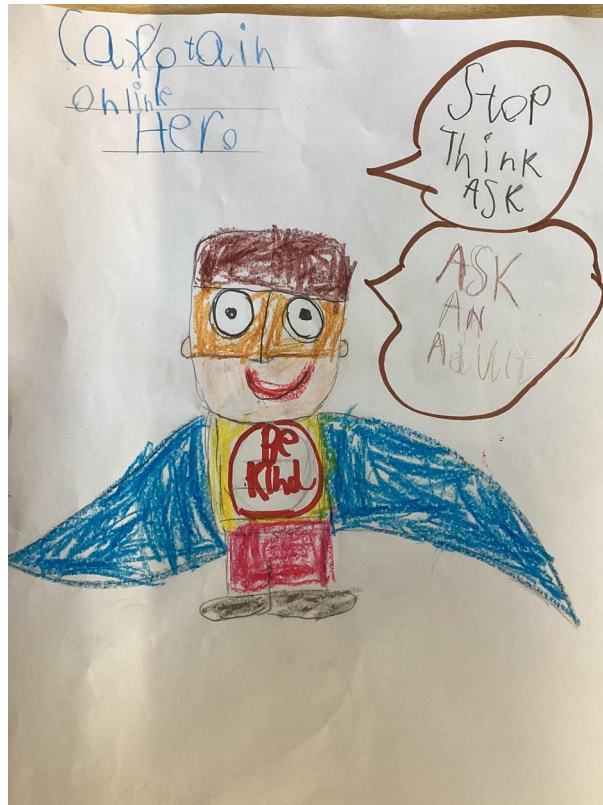

Online Safety Competition

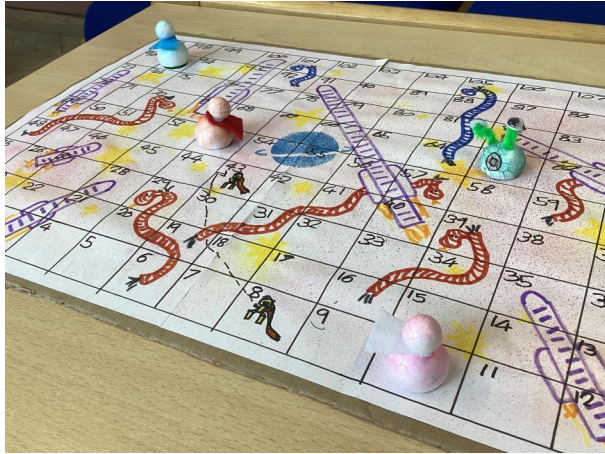

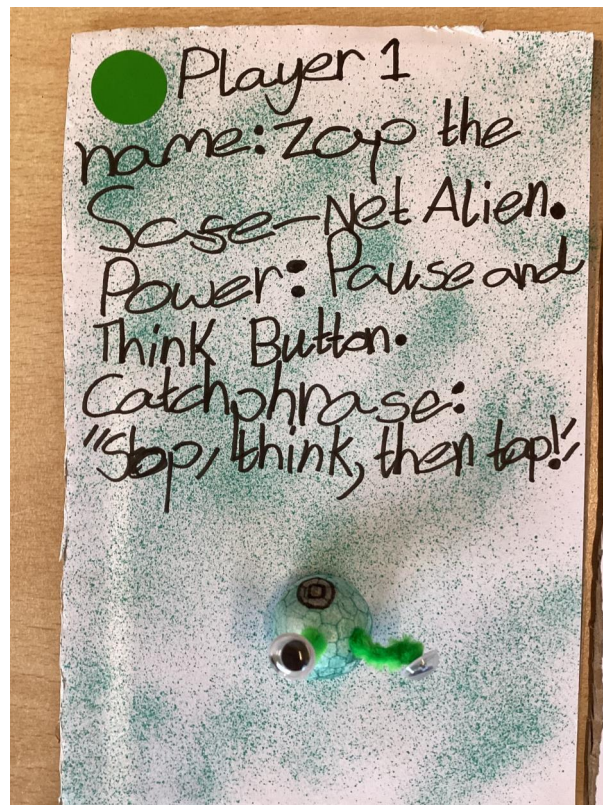

Thank you so much to all the people who worked so hard on their entries for the safer internet day competition. We were blown away by the creativity of all the people who entered our Online Safety Superhero competition. We have model robots, fairies, mobiles and even a giant biscuit! There is a lovely display made in the entrance hall for the children to look at.

The winners of the competition are:

Alayna (1B), Martin (RD), Jonathan (1E), Miran (1B), Henry P (2H), Eleni (2H), Lucy (1B), Lily (RD), Henry U (2H), Nivin (2H) and Theodore (2H)

Congratulations and a big well done for spreading awareness of how to be safe online to our school community. They will get their prizes in Assembly next week.

PA Cake Sale: Thank you

A huge thank you to all the Dolphin Class parents who organised and supported the cake sale on Friday. It was a fantastic effort, and we are incredibly grateful for the time, generosity and enthusiasm that went into making it such a success. Raising an amazing £715 is a truly outstanding achievement and I believe it may even be the highest amount ever raised at one

of our cake sales! Thank you for your continued support and for helping to make such a positive difference.

Preloved School Uniform Sale

Thank you to everyone who helped with the preloved school uniform sale on Thursday. An amazing £450 was raised for the PA.

Science Week

Science Week 2026

Next week, we will be celebrating Science Week in school. This year the theme is: Curiosity: what's your question? Each year group will have their own question to investigate and will participate in practical, hands-on activities to find the answer to their question. For this to be possible, we do have some requests for resources and would be very grateful if the class reps of each class could organise the following and make sure the class teacher has them by the **end of Tuesday 10th March 2026**.

Reception: per class

- 2 rolls of Grease-proof paper
- 1 pack of medium Food bags

Year 1: per class

- 12 pots of Play dough
- Chopsticks

Year 2: per class

- 6 eggs (hardboiled preferably)
- 1 bag of Cotton balls
- 1 roll of Bubble wrap
- Lollypop sticks (50 minimum)
- Plastic cups (10 minimum)
- 2 rolls of foil

Thank you for your continued support.

Mrs Morina

Science Leader

Eid celebrations

We are aware that **Eid** may fall on **Thursday 19th March** or **Friday 20th March**, depending on the sighting of the moon. If your child will be absent from school to celebrate Eid, please email the school office at schooladmin@brooklandinf.barnet.sch.uk as soon as you know which day they will be celebrating to notify us of the absence. This absence will be recorded as **authorised**.

We will also be **celebrating Eid in school on Monday 23rd March**. All children are invited to come to school wearing **party or special clothes** if they wish. There will be a special **assembly**, and children who celebrated Eid will be welcome to help by talking about how they celebrate at home, if they would like to.

Makaton Monday

Each week, the children are introduced to a new Makaton sign. Makaton is used alongside spoken language to support communication. Next week's sign is "kind". You can find a video demonstration of these signs on our website under 'Makaton Monday'. This week's Makaton Monday helpers are Sofia from the Giraffes and Dylan from the Hedgehogs.

Nursery Trip

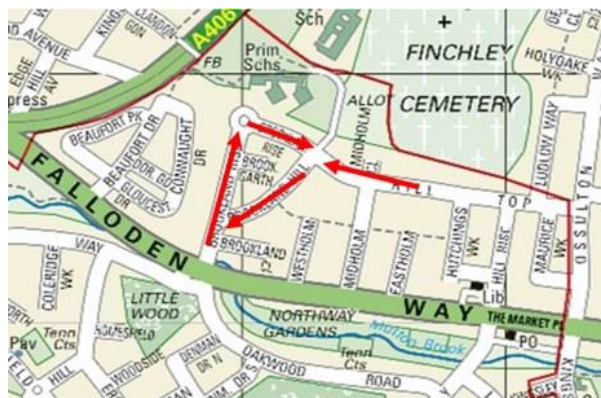

Half of the Nursery went to the Whitewebbs Museum of Transport on Tuesday. They had a wonderful day looking at different modes of transport and enjoyed going into life size engines. The other half is going next Tuesday and I know they will have a brilliant time as well. Thank you to all the parent volunteers who came to help. We would not be able to do these amazing trips without your support.

Reading Buddies

The children really enjoyed sharing their stories during 'Reading Buddies', where each class paired up with another class to read together and share books. It was lovely to see them talking about the stories and helping each other with the reading. Reading for pleasure is something the children really enjoy, and these sessions give them a great chance to share that love of books with others.

Voluntary One-Way System

Please can we remind everyone there is a voluntary one-way system in place to help ease the congestion at drop off and pick up times. Please see the image below which shows you exactly how the voluntary one-way system works.

Attendance - Expectations and Information

- We expect a child's attendance to be maintained at *95%* or above for the school year.
- We understand that children do often pick up illnesses such as colds, temperatures and other childhood illnesses so this may not always be possible. *When reporting your child's absence, please give us a brief explanation of what your child has so we can comply with public health and attendance guidelines.*
- If your child has an appointment (*hospital, dental, opticians, visa appointment etc*), we do ask that these be made during the half terms. We do understand this may not always be possible, but in any case, proof of the appointment must be provided (e.g screenshot of the reminder text/email, confirmation email/letter etc). **If proof is not seen, the school cannot authorise the absence.**

Brookland Values

Nut-Free School (this also includes after school clubs)

We would like to remind all parents and carers that our school is strictly *nut free* in order to keep children with severe nut allergies safe. This includes items such as nuts, cashew nuts, hazelnuts, pistachios, peanut puffs, hazelnut spread biscuits or dip pots, and other products containing nuts, including pesto, Nutella and Bamba snacks.

While nut allergies are not airborne, there is a significant risk from traces left on hands, play equipment, or classroom surfaces, which could cause a serious reaction in children with allergies.

We also kindly ask that no nuts or nut-containing items are brought onto the school site at any time, including at pick-up. We have recently noticed children with nuts as a snack to be consumed during their afterschool club activities.

Thank you for your continued support and understanding in helping us keep every child safe.
