

Dear Parents/Carers,

The children have all returned to nursery with such enthusiasm and we have had a great week! This week our story focus was 'The Very Hungry Caterpillar' and as part of this we now have some new class pets...5 caterpillars! The children have been super excited to see them each day and check to see if they have grown. Throughout the week we have re-told the story, made butterflies, made caterpillars, discussed the life cycle of a butterfly and hunted for mini beasts in the classroom! Lots of fun has been had.

Next week we will be continuing with our topic Growth and will be reading the book Little Bee, along with many other bee focused books such as BumbleBear. In maths, we will be focusing on positional language such as on top, under, next to, in front of, behind, inside and under. Our nursery rhyme of the week will be Humpty Dumpty. In phonics our phoneme will be the phoneme: c.

Reminders and Requests

- Next week as part of our Bumble Bee week, the children will be making their own honey on toast, focusing on cutting the toast and spreading their own honey. Of course the children will then be able to eat it, if they wish to do so. Please could we ask for 3 loaves of bread along with a tub of margarine/spreadable butter. We have lots of honey already, thank you very much 😊

Many thanks for your continued support and have a great weekend.

The Nursery Team 😊

Humpty Dumpty

Humpty Dumpty sat on a wall

Humpty Dumpty had a great fall.

All the King's horses and all the King's men

Couldn't put Humpty together again!
