

Nursery Newsletter

26th June 2026

Dear Parents/Carers,

I hope you have all managed to stay cool and survive the heat this week! I wanted to say a huge thank you for all your support throughout the week. The children have been amazing and incredibly adaptable despite the hot weather. To help keep everyone cool, we have enjoyed lots of water play, which the children have absolutely loved. They have had great fun splashing their feet in the water, painting with water, and exploring the refreshing feeling of cool water on their bodies.

Throughout the week, we have been focusing on '**The Power of Plants**'. The children thoroughly enjoyed making their own seed bombs and have taken part in a range of creative activities linked to our theme. They have painted flowers, created flower collages, drawn beautiful pictures, and engaged in endless discussions about different plants and how they grow. It has been wonderful to see their curiosity and enthusiasm as they explored the fascinating world of plants!

Next week we will be continuing with our amazing animal's theme and our focus will be around the song/book 'Old McDonald had a Farm', which I am sure the majority of the children will be very familiar with. In maths, we are going to be revisiting numbers 1 -5. Our nursery rhyme of the week will be 'Growing Plants Song' and our phoneme of the week will be v.

Sports Day - Monday 13th July

On Monday 13th July, your child will be taking part in our Sports Day. Thank you for your cooperation and understanding regarding the change of date.

Sports Day will take place on the Junior Field and will begin promptly at 9:15am.

Each child has been allocated a team and will need to wear a plain T-shirt in their team colour. A copy of the team colour list has been shared in the Nursery WhatsApp group. Please ensure your child comes to school wearing the correct coloured T-shirt on the day.

Please also ensure your child brings:

- A hat
- A named water bottle

Tiger children: If your child is a Tiger, they are welcome to come to school in the morning to take part in Sports Day. After the event, they will need to be collected and taken home from the nursery. If they usually attend the afternoon session, they are welcome to return for their normal session from 12:30pm-3:00pm.

Warm Weather Reminder ☀

As we are approaching warmer and sunnier days, it is really important that children come to school prepared for the weather.

Please ensure your child brings:

- A hat
- A named water bottle

Please apply sun cream to your child before they come to school. If you would your child to reapply sun cream during the day, please send in a labelled bottle of sun cream (not a spray). We have noticed that some children are sharing sun cream. Unfortunately, this is not permitted due to allergies and individual skin sensitivities. Please note that sunglasses are not needed at school, as they can easily get lost or broken. Finally, please ensure your child wears **closed-toe, secure shoes** so they can play and move around safely.

Many thanks for your continued support and have a great weekend.

Five Little Ducks

Five little ducks went swimming one day,
Over the pond and far away.
Mother Duck said, "Quack, quack, quack, quack!"
But only four little ducks came back.

One little duck went swimming one day,
Over the pond and far away.
Mother Duck said, "Quack, quack, quack, quack!"
But none of the five little ducks came back!

Sad Mother Duck went swimming one day,
Over the pond and far away.
Mother Duck said, "Quack, quack, quack, quack!"
And all of the five little ducks came back!
