

Nursery Newsletter
18th September 2026

Dear Parents/Carers,

Firstly, a very warm welcome to all of our new families at Brooklands! We're looking forward to a fun-filled year full of exciting experiences, learning and happy memories with all of the children.

The Cheetahs have all settled in really well over the last two weeks. They have been busy playing, exploring, investigating and, of course, making lots of new friends!

We hope they have been coming home with some lovely stories to share about their day and all the fun they have been having at nursery. It has been wonderful to see them becoming more confident, familiar with their new surroundings and beginning to form new friendships. We're so excited for all the adventures and learning opportunities the year ahead will bring!

A big thank you to Esther, Zippy's mum, who has very kindly volunteered to be our Nursery Class Representative. Esther has kindly set up a WhatsApp group for the class, which will be a lovely way for families to connect, share information and keep in touch throughout the year. If you haven't already joined the group, please find the link below, along with a QR code that you can scan to join.
