

Nursery Newsletter

2nd October 2026

Dear Parents/Carers,

This week in Nursery, we read the lovely story *My Mum is Fantastic!* The children have absolutely loved talking all about their mummies and sharing why they think they are so fantastic. We have heard some wonderful reasons, from giving lots of cuddles and kisses, reading bedtime stories and making delicious cakes, to buying special treats! We have had some fabulous conversations this week, with the children speaking so lovingly and proudly about their families. It has been wonderful to hear their little stories and see their faces light up as they talk about the people they love. Next week in Nursery, we will be reading the lovely story *My Daddy is a Giant*. We are looking forward to talking about our daddies and the special things that make them so wonderful!

Next week in Nursery, we will be reading the lovely story *My Daddy is a Giant!* Our nursery rhyme of the week will be *I Can Sing a Rainbow*. I have attached the song for you to enjoy and sing together at home. 🎵 🌈 To accompany our rainbow song, we will be exploring the wonderful world of colours. The children will have lots of opportunities to sort and match colours, create colourful pictures, and talk about the different colours they can see around them. We will also be exploring how colours can make us feel, encouraging the children to share their thoughts and ideas. We will have lots of fun experimenting with colour mixing and discovering what happens when we combine different colours.
