Activity Booklet

Name:

Contents

- 1 Number Card Challenge
- 2 Missing Number Snakes
- 3 Number Bows
- 5 Animal Matching (Numbers to 10)
- 6 Animal Matching (Numbers to 20)
- 7 Grab a Handful!
- 8 Number Practice
- 12 Match the Number

Answers included

Number Card Challenge

Cut out these cards and shuffle them up. Place them face down. Take it in turns to choose a number from 0 to 100 (you could use 0 to 20 or 0 to 50 if you prefer). Take it in turns to pick a card from the pile and answer the question on the card about your number. If you get it right, you keep the question card. If you get it wrong, put the card at the bottom of the pile.

What is
3 more
than your
number?

Count
on 10
from your
number.

Which number
comes after
your number?

Count back
10 from your
number.

Which number
comes before
your number?

Count on in
2s from your
number.

Count from your
number up to 100
(or 20 or 50).

Count back
from your
number to
zero.

Is your
number even
or odd?

Missing Number Snakes

Fill in the missing numbers on the snakes. Be careful to check whether you are counting in 2s, 5s or 10s!

Number Bows - One More and One Less

Write the missing numbers on the bows.

Write one more.

Write one less.

Write one less and one more.

Animal Matching - Numbers to 10

How many animals in each group?

Count them, then write the number next to the circle.

Now write each number on the number line.

0		2		4			7			
---	--	---	--	---	--	--	---	--	--	--

Animal Matching - Numbers to 20

How many animals in each group?

Count them, then write the number next to the circle.

Now write each number on the number line.

0	1	2	3	4	5	6	7	8	9		11			14			17			20
---	---	---	---	---	---	---	---	---	---	--	----	--	--	----	--	--	----	--	--	----

Grab a Handful!

Fill a bag with beads, bricks, dried beans or other small items. The better you are at counting, the smaller the objects should be! Now take it in turns to 'grab a handful' and count them into a container. Write how many you have in your box. Whoever has more wins a counter. If you both have the same amount, then you both win a counter. The winner is the person with the most counters after eight turns.

Challenge yourself by playing again, but this time the person with fewer objects wins a counter.

Tip: Encourage your child to count accurately by touching and/or moving each object and saying the number name as they do so. Help them to use the correct language of 'more', 'fewer', 'the same number' when comparing their number to yours.
